

The Humboldt Bay Harbor, Recreation and Conservation District is requesting bids to replace a 480 volt, 3 phase, 200 amp service electrical feed , along with a low voltage feed carrying internet and telecommunications and all related connections/terminations to a shore tie. The successful bidder shall verify which components will be relocated and bid both the electrical and low voltage feed and connections / terminations.

Work will be at Woodley Island Marina and will include relocating the shore tie, which is currently installed on the End Tie of Dock A, and relocating the shore tie to the End Tie of Dock F. All proposals shall include all demo, removal, disposal, materials, labor, taxes and permits required for the complete project. A pre-bid meeting is scheduled for Tuesday, March 9, 2021 @ 9:30 a.m. Bids are due no later than Tuesday, March 23, 2021 at 3:00 pm. Bid questions and Bid submissions shall be directed to Chris Mikkelsen, Director of Facilities Management (707)443-0801 or by e-mail to cmikkelsen@humboldtbay.org

The Humboldt Bay Harbor District is committed to fair and equal contracting.
