

Workshop Notice:

Larry Doss 1st Division, Commissioner Humboldt Bay, Harbor, Recreation, and Conservation District

When: July 25, 2019
Time: 7:00 P.M.
Where: Humboldt Bay Harbor Recreation and Conservation District meeting room
601 Startare Drive, Woodley Island Marina Eureka CA 95501

Commissioner Doss invites the public to have an open and constructive dialog on the Harbor District, including the budget, dredging, Harbor District Facilities, Services and other issues you believe are important to the Humboldt Bay. The meeting will help to identify and prioritize issues for the District in the near future.

The top goals for the workshop are to:

1. Pass along correct Harbor District issues for Coastal Commission Meeting and EPA meeting.
2. Gather topics of concern from the public and priorities of the public for Harbor District.
3. Respond to questions and take notes for follow up responses.

The California Coastal Commission will be having their Statewide monthly meeting from August 7th – 9th in Eureka at the Wharfinger Building and the Harbor District anticipates that our permit for dredging both Woodley Island Marina and Fields Landing Boat Yard will be considered at the meeting. The USEPA and USACOE will be holding a scoping meeting in Eureka on Monday August 5, at the Humboldt Bay Aquatic Center to hear input about planned expansion of the Humboldt Open Ocean Disposal Site (HOODS). HOODS is where dredge material is currently permitted to be disposed.
