Woodley Island Marina Meeting Room
601 Startare Drive, Eureka, CA

The Harbor District as lead agency, will hold a Public Comment Meeting for:

Project Title: Humboldt Bay Mariculture Pre-Permitting Project Draft Environmental Impact Report (EIR)

Meeting Location: Harbor District's Woodley Island Marina Meeting Room, 601 Startare Drive Eureka.

SCH# 2013062068

Description: The Project's purpose is to allow for an expansion of commercial mariculture activities in Humboldt Bay, to create jobs and improve the local economy, while also increasing local and sustainable seafood production. Under the project, the Humboldt Bay Harbor, Recreation and Conservation District is obtaining regulatory approvals for clam and oyster culture in Humboldt Bay. Once permitting is complete, project sites will be leased to private entities for culture.

Lead Agency: Humboldt Bay Harbor, Recreation and Conservation District

A Copy of the EIR is Available: 601 Startare Drive, Eureka, CA 95501 and
