

ADDENDUM NO. 3

June 11, 2021

Humboldt Bay Harbor, Recreation and Conservation District

Notice of Request for Bids

Tuluwat Island Spartina Removal Project

Following is updated information regarding the second optional pre-bid meeting.

Rather than holding a virtual meeting, this meeting will be held in person at the project site. On June 22, 2021 at 2:00 pm, we will meet at the vehicle pullout area on Hwy. 255 shown in the image below. Staff from Caltrans and the Humboldt Bay Harbor District will be present to answer questions. We will not be able to walk the entire site, but once we arrive we will determine areas we can safely view. Please contact Adam Wagschal at the Humboldt Bay Harbor District with any questions (awagschal@humboldtbay.org, 707-443-0801).
