TITLE: Woodley Island Marina 2020 Dredging Contract

RECOMMENDATION: It is recommended that the Board:

Approve a contract for Woodley Island Marina dredging activities to the bidder that will conduct base items in the request for proposals for the lowest cost.

INTRODUCTION:

District staff will open bids for Woodley Marina dredging activities on July 14, 2020. The contract may be awarded to the bidder that will conduct base items described in the request for proposals for the lowest cost. The Board will consider approving the bid during their July 16, 2020 special meeting.

DISCUSSION:

On June 3, 2020 the District released a request for proposals (available at humboldtbay.org) for the following activities related to dredging at Woodley Island Marina:

- Pre-dredge surveys.
- Post-dredge surveys.
- Mobilization / demobilization.
- Dredging.
- Dredged material disposal.

A pre-bid meeting was held on June 15, 2020. The bid-opening is scheduled for July 14 at 2:00 pm. As described in the request for proposals, a contract may be awarded to the bidder that will conduct base items for the lowest cost and whose proposal complies with all prescribed requirements.

District staff will review the bids and develop a specific recommendation for the Board. This recommendation will be included in an agenda supplement that will be publicly circulated on July 15, 2020.
AGENDA SUPPLEMENT - HARBOR DISTRICT MEETING
July 16, 2020

TO: Honorable Board President and Harbor District Board Members

FROM: Larry Oetker, Executive Director

DATE: July 15, 2020

TITLE: Supplemental Staff Report: Woodley Island Marina 2020 Dredging Contract

RECOMMENDATION. District staff recommends that the Board:

1. Direct staff to enter into a contract with Figas Construction for execution of the base bid for dredging of 7,192 cubic yards (cy) of material from Woodley Island Marina for a cost not to exceed $377,680.
2. Direct staff to enter into a contract with Figas Construction for execution of the full option bid for dredging of 4,308 cy of material from Woodley Island Marina for a cost not to exceed $172,320.
3. Approve additional expenditures from the District dredging fund up to 10% of the awarded base and option bid (if approved) for unforeseen costs. Total cost would not exceed $55,000.

DISCUSSION

This staff report supplements the staff report for Woodley Island Marina Dredging Contract.

On July 14, 2020, bids for dredging Woodley Island Marina were opened during a public meeting. The bids included a “base bid” and an “option bid”. As described in the request for proposals, the award is to be made to the bidder with the lowest base bid. The District may choose to add to the award a portion, or all, of the option bid amount. The base bid and option bid are described below, followed by a staff recommendation for the award.

Base Bid

Bids included “base bids” for pre- and post-dredging hydrographic surveys, mobilization/demobilization and dredging/disposal of 7,192 cy of material. This is the amount of emergency dredging that may be funded by the Federal Emergency Management Agency and California Office of Emergency Services.

As described in the request for proposals, the contract will be awarded to the bidder with the lowest base bid. Table 1 shows the bidders and base bid amounts.

</tr>
<tr>

</tr>
</tbody>
</table>

Figas Construction is the low bidder. Award of the base bid would allow for pre- and post-dredging hydrographic surveys, mobilization, demobilization and dredging/disposal of 7,192 cy of material at a cost of $377,680.

Option Bid

In 2019, dredging was started in Woodley Island Marina fairways between docks C-D, D-E, E-F and F-G. Based on 2019 post-dredge surveys, to reach design depths within these fairways approximately 11,500 cy more material needs to be dredged. It is expected that a relatively small amount of material also accumulated after the
post-dredge surveys. Execution of the base bid and option bid would remove 11,500 cy of material and deepen these fairways close to design depth.

The option bid from Figas Construction is $40/cy. The District could award the option bid to dredge up to an additional 4,308 cy, which would cost $172,320. This would result in total dredging of 11,500 cy and complete the dredging cycle for the four fairways. Execution of the option bid would be funded by the District.

Purchase Order #
TO: Honorable Board President and Harbor District Board Members

FROM: Larry Oetker, Executive Director

DATE: July 9, 2020

TITLE: Nehalem Dredge Lease and/or Sale

------------------------------------------------------------------------------------------------------------------

RECOMMENDATION: It is recommended that the Board:

Consider authorizing staff to negotiate the lease and/or sale of the District owned Nehalem dredge and
associated equipment.

INTRODUCTION:

The District owns a cutterhead suction dredge (the Nehalem) and the associated equipment listed in Attachment
A. A private entity is interested in leasing and/or purchasing the dredge and associated equipment.

DISCUSSION: The District has owned the dredge for several years and has been unable to obtain the required
permits to operate the dredge. As with any piece of equipment, the older it is and the longer it remains unutilized
the less valuable it is. In order to retain value, the dredge must be utilized, maintained and operated by a
professional dredge crew.

The District may opt to lease and/or sell the Nehalem dredge as a source of revenue. District staff recommends
moving forward with the lease and/or sale.
