STAFF REPORT – HARBOR DISTRICT MEETING
November 14, 2019

TO: Honorable Board President and Harbor District Board Members

FROM: Larry Oetker, Executive Director

DATE: November 8, 2019

TITLE: Consider Adopting Resolution 2019-15 Amending the Fee Schedule for Woodley Island Marina

STAFF RECOMMENDATION: Staff recommends the Board:

1. Adopt a Resolution 2019-15 approving the amended fee schedule for Woodley Island Marina without dredge surcharge or live aboard fee increases, and
2. Form a subcommittee to work with tenants on the dredge surcharge and live aboard fee.

BACKGROUND: The Board approved the fee resolutions for all programs and properties with the exception of Woodley Island Marina at the October 24, 2019 meeting. The primary issues raised by the tenants was the proposed dredge surcharge or live aboard fee increases. The attached draft Resolution shows the fees current fees which were last increased approximately 4 ½ years ago and a column showing the proposed fees which would go into effect January 1, 2020. As a comparison in the last 10 years the average CPI has increase 2% per year and in the last 4 years CPI has increased 2.6%. It is a fact that costs for everyone are going up. The District has a clause in almost all other leases except the slip leases that the lease increases by CPI each year. When the Board subcommittee meets they should consider this and other options to raise revenues in order to ensure that the Marina is dredged and maintained.

CPI Increase Average 2%	
2009	5.8%
2010	0.0%
2011	0.0%
2012	3.6%
2013	1.7%
2014	1.5%
2015	1.7%
2016	0.0%
2017	3.0%
2018	2.0%
2019	2.8%

The Dredge Surcharge increase that was proposed on October 24th and included in Attachment C proposed a three year phase in at approximately 50 cents per year for the next three years. There were no other proposed slip fee increases for “Permanent Tenants”. The following table is intended to illustrate how the

proposed fee increase would be assessed to a specific slip. As an example a 50 foot slip has a \$0.76 per liner foot dredge surcharge fee. In FY 2020/21 the proposed monthly \$0.50 per liner foot increase would raise the entire slip fee by a total of \$25 per month in FY 2021/22 by an additional \$25 and in FY 2022/2023 by a total monthly increase of \$75.

Slip Length	Current 2018/19 Monthly Dredge Fee @	2020 / 2021 Proposed Monthly Increase Over 2018/19	2021 / 2022 Proposed Monthly Increase Over 2018/19	2022 / 2023 Proposed Monthly Increase Over 2018/19
	\$ 0.76	\$ 1.26	\$ 1.76	\$ 2.26
30	\$ 23	\$ 15	\$ 30	\$ 45
40	\$ 30	\$ 20	\$ 40	\$ 60
50	\$ 38	\$ 25	\$ 50	\$ 75
60	\$ 46	\$ 30	\$ 60	\$ 90
70	\$ 53	\$ 35	\$ 70	\$ 105

The delay in adopting the fees will have the primary effect that the proposed increase in dredge surcharge revenues will not be collected and therefore the District will continue to not have sufficient revenues to fund a regular dredging event.

DISCUSSION: Since the proposed fee schedule defers approval of the dredge surcharge or live aboard fee increases to a latter date, the only proposed fee increase over current are to the:

- Slip Rates for Transient Tenants,
- Boat Insurance
- Kayak Rack Storage
- Emergency Pump out
- Special Event fees

As an alternate the Board may want to consider adopting the fees that were proposed at the October 24th meeting, or some variation of the fees and are included as Attachment B.
